Quantexa  501-1,000 [VIEW COMPANY PROFILE](#) Posted: 24/02/2025 [VIEW JOB](#)

Job Title DevOps Engineer **Location** Dublin County Dublin Ireland **Job Type** Permanent

Salary Not Supplied

Job Description At Quantexa we believe that people and organizations make better decisions when those decisions are put in context we call this Contextual Decision Intelligence. Contextual Decision Intelligence is the new approach to data analysis that shows the relationships between people, places and organizations - all in one place - so you gain the context you need to make more accurate decisions, faster. Founded in 2016 Quantexa helps organizations make their data more meaningful, and is the world's leading software company...
